WEB DEVELOPER INTERN

GLORA VITA | AUGUST,2024

During the journey, I had the opportunity to work on various projects that enhanced my skills in HTML, CSS, JavaScript, and Bootstrap. From building responsive web pages to implementing dynamic features, each project challenged me to learn and grow as a developer.

PROJECTS

As a Frontend Developer, I recently completed a project focused on designing and implementing a professional and visually appealing landing page for a product or service using Bootstrap grid system. The objective was to deliver a responsive and engaging user experience that effectively showcases the brand's offering and enhances user interaction
